Dear Mr Mason

It has been brought to my attention that you have been awarded the 1997 National CommunityLink Award for Service Clubs.

I would like to take this opportunity to extend my personal congratulations to you on winning this outstanding award.

It is always pleasing to learn that Queenslanders have received due recognition for their achievements in community service and volunteer management practices.

I am sure that all Queenslanders, and particularly the Cherside community, join me in expressing our appreciation of the magnificent efforts of the Aspley Lions Club in creating Kidspace, a unique playground which has become a focal point of the Cherside Parklands.

Again, my congratulations on your fine achievement.

Yours sincerely
